MQA International is a network of independent Certification Bodies which meet all the mandatory requirements of respective Accreditation Boards for the certification of Management Systems as per the requirements of ISO 17021. In the issuance of this certificate, MQA International Ltd. assumes no liability to any party other than the client as per the client certification agreement with the respective MQA Certification Body. The validity of this certificate is subject to the client organization maintaining their system in accordance with the MQA's requirements i.e. regular surveillance audits. This ISO certificate is the property of MQA International Ltd. Given the nature and inherent limitations of sample-based certification audits, this certificate is not meant to express any form of guarantee on the performance of the organization being certified to the referred ISO standard.
